

Bus Transportation for High School Students

Dear High School Parent(s)/Guardian(s) of 9th Grade Students:

The purpose of this letter is to inform you that the Howards Grove School District will not be providing bus transportation to and from the high school to some areas within the Village. During the 2009-2010 school year the non-motorized path to the high school was completed. This project was completed through a grant allowing safe access to our high school. A listing of the bussing routes affected by this change is provided below.

Please note this change is related to bussing transportation for high school students only. We apologize for any inconvenience caused by this change.

If you have specific questions regarding your bussing route, please contact Harms Bus at 565-2375.

Sincerely,

Mr. Scott Fritz
Principal
