## HOWARDS GROVE SCHOOLS PTO

2016–2017

Summer is just about over and it is time to think about the upcoming school year. We want to take this opportunity to introduce to you our PTO and welcome you as an active member. All parents of students in the Howards Grove School District are automatically members of the PTO. We cordially invite you to our meetings and welcome your ideas and input to all our plans. Watch for more information on the Northview homepage and please feel free to contact Amy Miller (920-627-0920) or Sara Dassow (920-207-7971), PTO Co-Presidents, with any questions or ideas.

Please remember that you only need to get as involved as you like and that the PTO helps all of your children. Below is a list of some of the projects designed to enhance the educational and community experiences of your children:

- Popcorn Days, offered on select Fridays during the year, for all Northview students.
- Winter Carnival, a mid-winter event that offers the entire family and community a fun-filled evening with great prizes and games.
- Character Counts Week, a week built around messages of respect, responsibility, honesty and much more!
- Teacher/Staff Appreciation Days, a week-long event in May to honor the hard work and efforts of the teachers and staff.
- Ice Cream Days, an event at the end of the school year congratulating all the children for their efforts throughout the school year.
- Scholarship(s) for deserving Howards Grove High School seniors.
- Funding for Northview's Field Day, celebrating another successful school year.
- Tiger Pride Color Run, a fun event at the end of the school year.
- Bussing for many field trips.

In addition, the PTO has been able to provide funding toward the following:

- The purchase of iPads and laptops for various Northview, Middle School and High School classrooms.
- Text books for several elementary and middle school classrooms.
- Battle of the Books rewards.
- Laptops for Middle School classrooms.
- Middle School math competition pizza party.
- Northview and Middle School playground equipment.

We are always looking for new members and new ideas. Join us for a meeting or return the bottom portion of this form to your child's school's office to learn more about the Howards Grove PTO.
