School parking is a privilege, and all drivers are expected to drive safely and follow all the school driving rules. Students are required to register each vehicle that will use the school parking lot. Each driver must pay a \$10.00 parking fee.

**Important Regulations to all Prospective Parking Permit Owners**

- All drivers must register in the High School Office and pay a \$10.00 parking fee each year.
- Each driver will receive a parking permit based on fee payment and completion of this form.
- Parking permit clings must be stuck on the inside front window, passenger side, near the bottom of the window. We must be able to read it from the outside, so make sure you do not apply it backwards.
- Unoccupied cars must be kept locked at all times.
- Students ***must request*** permission from the office to go to and from vehicles between classes.
- Vehicles are to be parked properly in marked stalls only.
- Students and staff are prohibited from parking in stalls marked “visitors” or “handicapped”.
- Overnight parking is not allowed with out prior approval.
- Students are not allowed to park in loading zone or unmarked areas before extra-curricular events or practice.
- Drivers must follow posted speed limit and direction signs.
- Students must report accidents to the office immediately.
- All drivers must observe the rules of the road and exhibit courtesy. Specifically, pedestrians have the right of way at all times.

Violation of parking rules may result in the denial of permission to operate or park a vehicle on School District property. Multiple parking or driving violations will result in the vehicle being towed at the owner’s expense.

The interiors of student vehicles may be inspected whenever a school authority (principal or his designee) has reasonable suspicion to believe that illegal or unauthorized materials may be present.

I agree to abide by the conditions and rules of this form, for the use of the Howards Grove High School parking lot.
