

Welcome to School Lunch 2015-2016

Preparations are well under way for the beginning of the new school year. Attached you will find the application for free/reduced price meals in accordance with the USDA regulations pertaining to the National School Lunch Program. A new application is needed for each school year. If you have received a notice regarding Direct Certification you do not need to fill out an application for lunch benefits. A separate form for fee waivers must be submitted. Please submit early so that benefits can be in place before the new school year begins.

Three payment methods are available this year: On-line through E-funds (BEGINNING THIS YEAR THERE WILL BE NO CHARGE TO USE E-FUNDS!!), by Food Service envelopes (which are available in all school offices) and by utilizing the printable website form. Please fill out the forms completely to ensure your payment gets credited to the correct account. School office personnel do not process these payments. They simply forward them to the Food Service Department. According to District policy a cheese sandwich is offered to children who do not have funds available in their Food Service Account.

Menus for each school are posted on the school website. NEW THIS YEAR!!! A few snack choices will be available for purchase at the Middle School such as water, string cheese, fruit and baked chips. These ala carte items are purchased using the student's lunch card. The cost is deducted from the lunch account. *Cash will not be accepted in the lunch line.* Parents can view all purchases and payments on the Food Service tab in Family Access.

Lunch prices for the 2015-2016 school year are:
